

## EXHIBITION QUARTER, BOWEN HILLS

**WHAT:** PROJECT UPDATE 5 - COMMUNITY CONSTRUCTION INFORMATION

**WHEN:** ISSUED WEEK COMMENCING **29<sup>th</sup> May 2023**

**WHERE:** BRISBANE SHOWGROUNDS PRECINCT

---

To our valued community,

### Works underway

Construction of Exhibition Quarter is progressing well. All the piling works are now complete, and the piling rigs are no longer onsite.

We are starting to complete large scale concrete works, so please be aware there will be a number of concrete trucks coming to and from site, daily, moving forward.

### Upcoming works

The second crane will be arriving on site in late June, we will provide further advice to you on this when we have a confirmed date.

### General information

We will continue to do everything possible to minimise any inconvenience and we thank you for your patience while we deliver this exciting new project to Brisbane Showgrounds.

**For more information**

If you have any further questions about the development or the broader precinct, please do not hesitate to contact Shannon Volp, Stakeholder and Community Engagement Manager, Lendlease Development or visit our website [www.exhibitionquarterowenhills.com.au](http://www.exhibitionquarterowenhills.com.au)

For any site specific or operational questions, please contact to Mario Crismani, Construction Manager, Hutchinson Builders.

Yours sincerely,
